

SHARE YOUR BUILD BACK BETTER STORY

Sharing your story about legislation from President Biden's first 100 days in office is one of the most impactful things you can do right now. Whether it's the tangible impact the American Rescue Plan has had on your life or what the American Jobs Plan would mean for infrastructure or your local economy, we need to hear how these will make your lives better! We're working on a video featuring some of these story submissions to be used on DNC social media platforms. If you are interested in sharing your story and spreading the word about President Biden's Build Back Better Agenda, please follow the guidelines below:

VIDEO GUIDELINES

- **Film vertically selfie style** with your phone or have someone hold the camera for you and film from the waist up
- Record between **30 seconds and one minute**
- Make sure you **film in a well-lit area** and have a neutral background

VIDEO SCRIPT EXAMPLE

- I'm Meg from Michigan, and I am here to say thanks, Joe Biden. The American Rescue Plan was able to expand access to vaccine distribution and help me and my family stay safe....[add your story here]

HOW TO SUBMIT YOUR VIDEO

- **Submit your videos [HERE](#)** when you're all done! It means so much to so many people and we're always thankful to have you on our side.
