# Volunteer Fact Sheet

**As a volunteer, you're sharing vital information in your communities to ensure voters have everything they need to make their decision. Volunteers like you are making the difference by leading these critical conversations because one thing is for sure – we're not going back.** Check out the resources below for more details on how the Harris-Walz administration will fight for a better future for all of us, continuing the Biden-Harris administration's legacy of winning real change for all Americans. Because when we fight, we win!
